LAST OF THE SERIES.

Indianapolis Defents Milwaukee and then Goes Abroad.

There was a marked contrast between the closing game of the Milwaukee series, yesterady afternoon, and that played on the previous day, and the 1,500 people present enjoyed it to the fullest extent. The contest was close enough to make the final resuit uncertain until the last man was out, in the ninth inning, and the playing, as a rule, was sharp and clean throughout. McCarthy made one stupid play in left field, but Roat's error was, in a measure, excusable. Glenalvin has not been doing well of late, and Manager Watkins decided to give him a rest for a few days, placing Canavan at second base and Wood in right field. The arrangement worked well yesterday, and will probaly be continued during the trip. Both Canavan and Wood did well in the field, the former making several good plays, while the latter used the stick with telling effect.

Damon was in the box for the home team and pitched a great game. While the visitors made ten hits off him, he kept them well scattered and was very effective at critical stages of the contest. He had city and the Washington club broke up in good command of the ball, sending only one a row in the eighth inning. The score stood Ryan, c..... n to base, and he did not get any the best of it from Fisher and McCauley, who umpired in the absence of a regular man. Rettger, too, was effective after the first of the Stars. inning, but the lead gained by the Hoosiers at the start was too great to be overcome. While the total number of hits scored against him was ten, he kept them scattered after the opening inning, and the ville ball park to-day by a score of 19 to 6. home team was unable to increase its lead | The features of the game were the bat-

Hogan started the fun with a grounder to short, which Taylor threw wild, and the little center-fielder went to second. Newell struck out, but Canavan drove one to right, and Hogan scored. Canavan made a good under. After McCarthy had fouled out, Roat and Motz singled, and Wood crossed the plate. When Bolan threw to ond to catch Motz, Roat came in and Motz followed a moment later on Mc-Farland's two-bagger. Klopf struck out. Weaver made a hit, but was left when Sharp fouled out, and Twitchell struck at three bad ones. Ind'anapolis was blanked in the second and third. Taylor's hit, a steal and a single by Bolan gave the visitors one in the second, and Weaver's safe drive and Twitchell's three-bagger gave one more in the third. A base on balls to Hogan, a single by Newell and Canavan's sacruice added one to the score of the Hooslers in the fourth. In the fifth Milwaukee made one on Weaver's two-bagger, a sacrifice and witchell's single, and their last rin was made in the sixth on Taylor's two-bug-ger, Long's out and Boian's scratch ungle. In the ninth Hogan led off with a double, stole third after Newell had fouled out, but saught at the plate on Canavan's ineld hit. The laker stole second and came one on Wood's single. Score:

Umpires-Fisher and McCauley. The Team's Trip.

Manager Watkins and twelve members of the local team left, last night, for St. Paul, where the two clubs will meet tonorrow. During the trip the Hoosiers will play all of the Western teams and will be sheent until Aug 1, when they will return or three games with Terre Haute, as the pening of the home series. Manager Watlins decided to leave Glenalvin at home and play Canavan at second and Wood in 1ght field. It is thought that this will trengthen the team both at bat and in the eld. All four of the pitchers were taken and will be used during the trip. If Damon

keep up the work he did yesterday he be a valuable man and will fill a long-

the want. Manager Watkins hopes to win the least half of the games played away from home and fully expects to return to the local grounds in first place. St. Paul "Kicked." DETROIT, July 17 .- Two games were anounced for to-day. One was played; the ther ended at the beginning of the second oning in a row. Joe Cantillan, an old playr of the late lamented American Associaion, and an ex-manager of ball clubs, took loagland's place as umpire yesterday and ave fair satisfaction to both teams. Toav. however, he was called on to make sevral close decisions and St. Paul claimed J. L. Walker, of Des Moines, Ia., letroit was given the benefit of doubt in al cases. In the first inning of the second ame, Pickett, who is noted for his "kickame, Pickett, who is noted for his "kickig" propensities, "kicked" very hard on a cose decision, and was ordered out of the ame. A general wrangle ensued and the sitors refused to play unless he be connued in the game. Umpire Cantillan wited the required time and then called the ame forfeited 9 to 6. The first game re-

SILVER LINED WITH GOLD. Service of Eight Pieces Presented to the Cruiser Cincinnati.

BROOKLYN, N. V., July 17.-The crew of the United States cruiser Cincinnati were astir early to-day and the decks of the ship got an extra scrub and polish in honor of the visitors from Cincinnati, headed by Mayor John A. Caldwell, who were to present an elaborate silver service to the ship from the citizens of the city after which she is named. When the committee, consisting of Mayor Caldwell, Congressman J. H. Bromwell, Police Commissioner George Henshaw, Perry S. Heath, W. W. Peabody, jr., Julius Fleischman, Dr. C. R. Holmes, Col. Alexander Gordon (of Governor McKinley's statt), Dr. K. M. Johnson and Lieut. Charles S. Bromwell, U. S. A., accompanied by Lieutenants Southerland and Osterhaus arrived on a navy yard tug, they were met by Read Admiral Bunce and Captain Glass, Commodore Sicard, Cap-tain Rogers and all the officers on duty in the navy yard. The suver service, which consists of eight silver pieces lined with gold, was exhibited on a sky light on the quarter deck. The committee was escorted to the quarter deck, where Mayor Caldwell presented the Federation, who bought tickets on the silver service in a speech eulogizing his city. Admiral Bunce accepted the present and in a brief address, Captain Glass, who is in command of the cruiser, then received the present through the rear admiral. He also made a short speech. After the speech-making was finished the Cincinnati representatives and visitors, a number of whom were ladies, were entertained by the ship's officers at a dejeuner in the

Said to Have Hypothecated Bonds That Did Not Belong to Him.

SAN FRANCISCO, July 17 .- H. Waite, of Massachusetts, has brought suit against the city of Santa Cruz, in the United States District Court, to secure the payment of \$22,650 in bonds, which fall due this year. The city refuses to pay the alleged indebtedness, on the ground that the bonds were practically stolen. A year ago they desired to refund \$260,000 in outstanding bonds for the purpose of securing more time, and to this end the new bonds were placed in the possession of Walter Stanton, who gave a bond for their return, executed by the American Debenture Company, of Chicago. The American Debenture Company failed in August, 1894, and Stanton shortly afterwards went into insolvency, having first hypothecated the Santa Cruz bonds on his private accounts, instead of using them for taking up the old bonds, which he agreed to do. This suit will determine the validity of over \$360,000 of like bonds, all of which are held by innocent purchasers who received them from the custodian appointed by the city of Santa Cruz.

Many Indians reported here threatening lives and property. Settlers are moving miles away. Want protection immediately. Prompt action absolutely necessary." Governor Richards forwarded the mes-

The Governor says the entire trouble can be stopped by the Secretary of the Interior instructing the Indian agent at Fort Hall, Ida., to send out his Indian police to call in all hunting parties of the Indians who are in Wyoming. The chief event of the day was the Aqueduct handlcap, at a mile and a quarter, in which Bathampton, Stephen J. and Santiago were scratched, leaving Eagle Bird and Sir Francis to go. The latter was the favorite. They ran locked to the last turn, when Eagle Bird won as he pleased in 2:14. The winner was well backed by the knowing ones at the last minute. In the second race the favorite was Volley. At the fall of the flag Impo-sition, the outsider, wert out so far that Volley could not catch her, and she won by a nose in good time for the track. A RELIABLE PILE CURE

The Pyramid Pile Cure is the safest and surest pile cure on the market, because it contains no mineral poisons nor opium nor cocaine, but can be used with absolute safety and certainty of cure.

Many physicians are now using the Pyramid Pile Cure in place of surgical operations, being painless, convenient to use, and the patient can attend to his daily occupation while the cure is being made, as it is used at night and no additional treatment is necessary.

Dr. Wharton says the Pyramid Pile Cure will prove a blessing to mankind, when it is remembered that heretofore a surgical operation was considered the only cure with all its danger to life, intense pain and an expense of from ten to one hun-dred dollars, to say nothing of the possible return of the trouble. The Pyramid Pile Cure is sold by druggists at 50 cents and \$1 and does the work quickly and safe-A book on cause and cure of piles will be mailed free by addressing Pyramid Co., Albion, Mich.
